**\*French Practice Opportunities Begin on Page 4**

The Regina Region Local Immigration Partnership (RRLIP) is a community initiative that enhances collaboration and coordination, fostering a more welcoming community where newcomers are fully engaged and integrated.

In consultation with the programs listed, the RRLIP developed this list of English and French practice opportunities to facilitate easy access of information for newcomers and newcomer-serving agencies, as well as to enable the quick referral of language earners. Other community programs that run on an irregular or short-term basis are not included.

If you are aware of other **long-term** English or French practice programs, please call **306-529-6505** or contact us at [rrlip.ca](http://rrlip.ca). The RRLIP relies on community to keep this list updated.

Visit [www.rrlip.ca](http://www.rrlip.ca) for more information in support of welcoming, settling, and integrating newcomers to Regina.
